At the meetings, Dr. Mitchell and Ms. Vaccaro-Teich explained the impact that a reduction of state aid would have on the district, but also presented suggestions to make changes in legislation that might help the state get through the budget crisis. Some of the suggestions included making adjustments to the pension system, state-wide health care reform, and ways to protect some of our less experienced teachers.

Dr. Mitchell stated that in the last three years, the district has had a \$5 million reduction in state aid. He stated the District is doing its best to minimize the effects of the reductions, keeping cuts away from instruction, reducing when we can, and keeping needs first and wants second.

**SOUTH ORANGETOWN CENTRAL SCHOOL DISTRICT
2011-2012 SCHOOL CALENDAR**

EMERGENCY CLOSING (Snow Days, etc.) INFORMATION

In anticipation of emergency closings, such as snow days, the district makes an effort to build the school calendar with additional days in order to first comply with New York State Education Law related to student attendance and then with any EASO contractual obligations. Each year's calendar varies due to the number of holidays that fall on weekdays; therefore, there is an annual review to ensure that the district meets the legal attendance requirements while adding a cushion of potential emergency days.

If no days are used, then **April 5, May 25, & May 29** will be vacation days

If 1 day is used, then **May 25 & May 29** will be vacation days (*April 5 school is in session*)

If 2 days are used, then **May 29** will be a vacation day (*April 5 & May 25 school is in session*)

If 3 days are used the calendar stands as shown (*April 5, May 25, & May 29 school in session*)

If 4 days are used, then on **June 25** school will be in session for staff

If 5 days are used, then on **June 26** school will be in session for staff

If 6 days are used, then on **June 27** school will be in session for staff
