

CURRICULUM COUNCIL

THURSDAY, APRIL 7, 2011

MINUTES

1. Presentation of research based phonics program: K – 2 for 2011/2012 school year. (PowerPoint attached) FUNDATIONS

The Council supported the adoption of the program (K-2) and the pilot for grade 3 for the 2011-2012 school year.

2. Adoption of a new Grade 6 online Math textbook – HOLT.

The Council supported the adoption of this new book with the 6 year online update.

3. Professional Development Committee including Moodle University.
4. Update on progress of Grade 9 students enrolled in Honors or Advanced courses. Most of the students who were enrolled at Grade 9 continue to be enrolled in Honors or Advanced courses. A question was raised about preparation for the SAT II for students enrolled in Chemistry. Further information is needed regarding this issue.

Final Council Meeting – June 2, 2011 @ 4:00 pm
