Purpose: To bring forward and resolve concerns that impact health and safety of our students and employees, building by building to ensure optimum health and safety throughout the SOCS

It was decided that this rescheduled November meeting will suffice for the December one. We had our first fire inspection last month and did well with a few minor exceptions/next one will be in 2 weeks.

TOPICS	ACTIONS/OUTCOMES/UPDATES	NEXT STEP/TIMELINES	INDIVIDUAL (s) RESPONSIBLE
<p><u>TZHS</u> Reps. were grateful for the speed bumps but kids are still not stopping/could there be more bumps around the others? If there was a uniformed policeman there, then they would stop, anyone else, no.....is there anything that can be done?</p> <p>There are no lines going in or out of parking lot as you go around the bend</p>	<p>Tom is having speed bumps installed on ether side of the ones there now</p>	<p>Speed bumps will be installed when weather permits</p> <p>Lines will be painted when weather permits</p>	<p>Tom</p> <p>Tom</p>

H & S minutes December 2011

<p>Where Terry fell, is it being fixed/can ditch be filled</p> <p>What can be hung from the ceilings in the art rooms that is acceptable (metal/glass)?</p> <p>How loud the fire alarms can be?</p>	<p>The sidewalk is not in bad shape, the top of the hill is where the issue is/ we are going to pack in dirt on the sidewalk to prevent tripping again/thinking of doing a handrail on the side too. The issue had been addressed on video.</p> <p>John said they don't really like to see anything hanging/it's a safety problem - when ESU come in (tiles could fall on them, if it's not mounted)</p> <p>John said the limit NYS fire code is a max of 120 decibals with a certain minimum distance requirement which he is trying to clarify</p>	<p>Landscaper will fill in erosion when weather conditions permit to plant seed</p> <p>John will clarify this with us</p>	<p>Tom</p> <p>John</p>
<p><u>SOMS</u> The back door entrance collects water around the concrete step (Karen had discussed this with Jeff already)</p> <p>Shades for the cafeteria (kids were able to see the SWAT team during previous incidents)</p> <p>Screens for cafeteria were purchased and installed</p>	<p>A concrete step is to be installed</p> <p>Tom will look into it</p>	<p>To be installed when weather conditions permit</p>	<p>Tom</p> <p>Tom</p>
<p><u>CLE</u> Lisa is very impressed that for the first time in 21 years, all the clocks are in sync</p> <p>Someone is coming in to buff the gym floors</p>			<p>Tom</p>

H & S minutes December 2011

<p>The single man lift in the 4th grade hallway & gym has the teacher's concerned for the safety of the kids</p>	<p>Tom will look into it</p>	<p>Removed from building</p>	<p>Tom</p>
<p>The Port a Potty in the parking lot</p>	<p>This was part of the Roofers project which was supposed to be finished over Thanksgiving and then port a potty will be removed</p>	<p>Removed from property</p>	<p>Tom</p>
<p><u>TZE</u> No issues to report</p>
