

Point-of-Sale (POS) Practice PIN Number Entering

My name is _____

My student number (PIN) is _____

Practice entering your PIN by pressing the sample down.

- Every time you push a button, the green light on the top of the PIN PAD lights up. If the light does not illuminate, try the number again.
- If you push an incorrect button or need to begin again, push the red button that says, "CLEAR".
- Once you have entered the PIN number, push the green "ENTER" button.
