

Math is Fun!

Dear Parents/Guardians:

Learning does not have to stop just because we are at the end of the school year. In order for your child to maintain their learned facts, skills and strategies in math, we encourage you to have your child use math in their everyday lives and play games that reinforce their math skills. The following is a list of websites that your child can use to play games and practice facts.

www.aplusmath.com
www.coolmath.com
www.factmonster.com
www.funbrain.com
www.mathlearnandenjoy.com
www.mathplayground.com
www.multiplication.com
www.playkidsgames.com
