

Tappan Zee High School Physical Education Medical Make-up Assignment #2

Careers in Sports and Physical Education

Locate and discuss 5 different careers in sports and PE such as: Physical Education Teacher, Coach, Athletic Trainer, Exercise physiologist, Personal Trainer, Nutritionist, Marketing Director, etc..(or any others you are interested in)

In your paper include:

- 1) Name of the career
- 2) Description of the job
- 3) Duties and responsibilities
- 4) Education requirements(degrees, classes etc.)/Certification requirements
- 5) Experience needed prior to obtaining a job in this field(internships, knowledge, prior job experience, practical experience., etc)
- 6) Average salary in this position

Conclusion: Compare and contrast the career options you chose to explore in the field of PE/Sport. Discuss the careers you would be most and least interested in and provide reasons.

Please see your current PE activity teacher with any questions.
