Dear Mrs. Van Duyne:

Based upon your internal audit pertaining to the District's internal controls related to the System to Track and Account for Children, and Medicaid Procedures, for the period July 1, 2021 through June 30, 2022, there were no deficiencies identified in which the District's internal controls needed improvement. As such, a corrective action plan is not required.

If you have any questions, please don't hesitate to call.

Sincerely,

A handwritten signature in cursive script that reads "Dana G. Stilley". The signature is written in black ink and is positioned above the printed name.

Dana Stilley, Ph.D.
